BES exemption

Application for Declaration of Professional Competence BES for BES exemption

- Fill in the form completely
- Print the form and sign it
- Scan the signed form and the required documents
- Send the form and the required documents by email to info@besontheffingen.nl

Required documents

- Scan of valid passport with personal details.
- Scan of an authenticated copy of the degree certificate for the profession and possible area of expertise.
- Programme listing the courses from your professional degree, divided into theoretical and practical subjects. Indicate how much time was spent on the education in these subjects. This document must be issued by the institution from which you received your degree.
- Supporting documents showing any professional experience.
- A recent curriculum vitae (CV).
- Lists of marks and assessments of study results, practice periods or internships, etc.
- Certificate of Current Professional Status (CCPS) of the country of certification and all countries where you have worked or lived for more than three months. This document must not be older than three months. You do not need to supply CCPS from the Netherlands.
- If you also want to apply for an exemption for a specific area of expertise, but you do not have a registered specialism (*Article 14 of the BIG Act*) in the BIG register, you must provide supporting documents for the assessment of the area of expertise.
- Proof of entry in a professional register (*if one exists in the country of origin*). This document may be no older than 6 months.

In the explanatory memorandum you will find information about the requirements that are set for the various documents.

1 Personal details

1.1 Birth name (*as shown on your passport*) Gender male female

1.2 First name / first names

1.3 Date and place of birth Day Month Year

1.4 Nationality

1.5 Email address

2 Profession and specialisation

2.1 Application for BES exemption > *The application for a BES exemption will be considered after obtaining your professional competence certificate. You don't need to apply for an exemption BES.*

Together with the application for the declaration of professional competence, I also apply for an exemption for the practice of a medical profession on the BES islands.

2.2 For what profession are you applying for a Declaration of Professional Competence BES? pharmacist physician midwife dentist

2.3 Would you also like to apply for a BES exemption for a specific area of expertise? > *For which area of expertise are you applying for an exemption? It does not have to be a specialism as referred to in Article 14 of the BIG Act. For example, it can also be a certain profile.*

3.6 Telephone number

4 Signature

Declaration

I declare that there is no measure in effect against me based on any judicial, disciplinary or administrative law decision on grounds of which I have temporarily or permanently lost all or some of my rights to perform the particular profession in the country where the decision was issued. I also declare that I have not been placed under guardianship on account of a mental disorder.

By signing, I declare that I have answered entirely truthfully. And that I am aware that providing misinformation can – in addition to possible criminal consequences – have implications for the application for an exemption.

4.1 City/town

4.2 Signature and date

Day Month Year
